

SAFER. SMARTER. STRONGER.

# DEFENDER 50

200 / 400-key Capacity

51"H x 46"W x 29"D

The Fort Knox of valet podiums, the Defender 50 is the largest of our Valet Vault product lines. The Defender series combines strength and sophistication, with industry-leading security features and custom options.

## STANDARD FEATURES

### Reinforced Aluminum

Built with industrial-grade, rust proof, reinforced aluminum for durability and an extended lifecycle

### Self-closing Door

Patent pending, industry first self-closing door to prevent keys being left exposed while unattended

### LED Lighting

Highly visible LED Valet signage on three sides for improved wayfinding, and an LED lighted interior

### Automotive-grade Paint

Exterior finish is a baked-on textured, automotive-grade paint with two applications of matte finish clear coat

### Industrial Grade 1 Lock

Weather resistant, Grade 1 certified, access control lock providing the ultimate in security and dependability

### Vault Plate Divider

Industrial-grade aluminum plate that acts as a barrier between the drawer area and the key cabinet

## UPGRADE OPTIONS

### Custom Exterior Colors

Customize your Valet Vault with a color that matches your exterior decor

### Custom Logo

Add a LED or vinyl logo to the front panel to brand your Valet Vault

### Permanent Skirt

Replace the four castors on your Valet Vault with a matching aluminum skirt

### Key Carousel

Replace the standard key boards with two of our patent-pending key carousels to double the maximum key storage capacity to 400\*

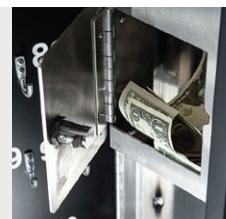

### Lighted Key Storage

Interior includes LED lights for improved visibility

### Padded Key Drop within key cabinet

Allows valets to safely store keys until there is time to hang them

### Secure Tip Box within key cabinet

Provides a secure box for valets to store tips in while working

The best valet key storage solutions on the planet ... Period
