

VALET VAULT

SAFER. SMARTER. STRONGER.

DEFENDER 40 Series

100-hook / 200-key Capacity

51"H x 38"W x 30"D

All the same amazing features of the Defender 50 Series but, more accessible for inside locations. The Defender Series is changing the game in Valet Podiums and Key Storage Security.

STANDARD FEATURES

Reinforced Aluminum

Built with industrial-grade, rust proof, reinforced aluminum for durability and an extended lifecycle

Self-closing Door

Patented, industry first self-closing door to prevent keys being left exposed while unattended

Wayfinding Signage

LED-lit "VALET" signage is positioned on three sides of the Sentinel to improve wayfinding for customers

Valet Armor Paint

All podiums come with Valet Armor paint - scratch resistant available in any color

Industrial Grade 1 Lock

Weather resistant, Grade 1 certified, access control lock providing the ultimate in security and dependability

UPGRADE OPTION

Access Control Kit

Manage multiple podiums/users from any smart phone or tablet

Custom Logo

Add a LED logo or go further with Interchangeable Illuminated Signage - Great for Events

Permanent Skirt

Replace the four castors on your Valet Vault with a matching aluminum skirt - optional LED Illumination around the skirt

Access Control Kit

Manage multiple podiums/users from any smart phone or tablet

Padded Key Drop within key cabinet

Allows valets to safely store keys until there is time to hang them

Secure Tip Box within key cabinet

Provides a secure box for valets to store tips in while working

The best valet key storage solutions on the planet ... Period
