

VALET VAULT

SAFER. SMARTER. STRONGER.

TITAN 50 SERIES

Simply the SAFEST, SMARTEST, STRONGEST, podium on the planet. The Titan Series is setting the standard in Valet Podiums and Key Storage Security.

200-hook / 400-key Capacity

51"H x 48"W x 30"D

STANDARD FEATURES

Reinforced Aluminum

Built with industrial-grade, rust-proof aluminum and reinforced stainless steel for an extended durability lifecycle.

Self-closing Door

Patented, industry first, self-closing door to prevent keys being left exposed while unattended.

LED Lighting

Highly visible LED Valet signage on three sides for improved wayfinding, and an LED lit interior.

Powder Coated Finish

All podiums come with scratch resistant powder coated finish available in any color.

Insurance Best Practices

Named "Best Practices" by Alliant Insurance's Parkwise - one the largest insurance for Valet operators nationwide.

Patented Security

The only Valet key storage solution in the industry with three registered patents for security.

UPGRADE OPTIONS

Custom Exterior Colors

Customize your Valet Vault with a color that matches your exterior decor

Illuminated Signage

Add a LED logo or go further with Interchangeable Illuminated Signage - great for events.

Portable Skirt

Have the functionality of a mobile unit while maintaining a permanent look with a matching reinforced steel skirt that hides casters.

Lighted Key Storage

Interior includes LED lights for improved visibility

Portable Power Capabilities

Batteries swap out easily providing mobility and seamless operations

Secure Tip Box within key cabinet

Provides a secure box for valets to store tips in while working

The best investment for your success.
